

INVISIBLE IMPACT VISIBLE CHANGE

SAVE ENERGY & WATER ON CAMPUS!

Shared
challenges
across U.S. &
China — your
voice can drive
global solutions

66.7% of students at Tsinghua were **unaware** of sustainability initiatives — **stay educated!**

5% of campus budgets go to utilities — savings mean more funds for students!

Daily habits matter: AC usage varies wildly — small changes = big savings.

Universities are **mini-cities** — 24/7 lighting, labs, dorms, HVAC systems.

WHAT STUDENTS CAN DO

- 1 Turn off lights & AC when leaving.
- 2 Use cold water laundry cycles.
- 3 Bring a reusable water bottle.
- 4 Join the Green Campus Challenge! Follow us @GreenCampusClub

From Washington, D.C. to Beijing, students like you are leading the way.
Join the challenge — make your dorm, your class, your campus a greener place.
