**Overview**

Fudan University International Summer Session 2023 will provide a 4-week course study and cultural experience to students from all over the world. The program is now recruiting students from both China and abroad. Students will have the opportunity to get to know China and become part of the Fudan community. Fudan University's degree students will also participate in the program. This program will help you achieve multicultural understanding, establish a global vision, and get connected with peers from all over the world.

The session offers 26 content courses, 3 Chinese language courses at different levels and 2 PE courses. In addition we offer historical and cultural visits. The content courses will cover a range of topics in History and Culture, Society and Politics, Business and Economy, Science and Technology and Law.

Each 2-credit content course is designed as a 39-credit-hour course, 1-credit content course as an 18-credit-hour course, 3-credit content as a 48-credit-hour course, 2-credit Chinese course as a 40-credit-hour course, and each PE course as an 18-credit-hour course.

Each student can take up to 6 credits' content courses. PE courses and language courses are optional. After successful completion of the course study, students will be awarded a program certificate and an official transcript from Fudan University.
